Some Men Pay \$10,000

For an expert to manage their
advertising. There are others who
pay \$5.00 for an annual subscription
to printers' ink and learn what
all advertisers are thinking about.
But even these are not the extremes
reached. There are men who lose
over \$100,000 a year by doing
neither one. For sample copy send

The enemies of the movers of the

telling blows against the bill intro-

The old man eloquent, Rt. Rev. H.
M. Turner, Senior Bishop of the Afri-

as sound mentally and physically as
he was twenty-five years ago; and has
the happy faculty of going directly
to the heart of any subject he takes
